--------------------------------------------------------	----------	-------------	--------	----	----------------------	----------------------	--------	--------

If you chose the 'no collection' option for the school groups, you are responsible for bringing your child to Wilton from the school.

If you choose the 'collection' option, Wilton will send the same coach every week to collect the children from the school office and they will walk them to the club. The parent is then responsible for collecting their child/ren from Wilton Tennis Club at the end of the session.
